1.2.2. Summary & Outcome Analysis of the Add-on Courses

Sakthi College of Arts and Science considers the Curricular Aspects as its mainstay. As it is an affiliated college and it takes part in the curriculum development, procedural detailing, assessment procedures, it is in a position to complement the educational process by offering Add-on Courses, to the students of Under-graduation Programmes. Each department designs the Add-on Courses, depending on the need of the learners. The Courses are value-enriched, knowledge filled and fulfil the six cognitive domains, designed as per Bloom's Taxonomy. These courses are in tune with the emerging national and global trends and relevant to the local needs.

The Add-on Courses have been launched in the academic year 2016 in the month of June. The syllabi have been framed; the assessment pattern is set and the learners are taught out of the college hours for 30 hours per semester. The successful completion of the courses marks the issue of certificates to every individual learner. The faculty of the departments take utmost care in the offering and completion of the courses.
