Feedback Analysis & Action Taken / 2019 - 2020

The questionnaire was sent through the online platform, Google Forms. The link was served to the staff and the responses were collected. All the respondents answered all the questions. The graphical representation was prepared on the basis of the options chosen by the respondents.

Criterion	Analysis	Action Taken
The currency and the relevancy of the Programme offered are appreciable.	The Programmes offered by the college are mostly job-oriented. So some of the teachers feel that there can Programmes on Arts and Humanity.	The institution has been taking efforts to introduce new Programmes in the forthcoming years.
The Board of Studies and the Academic Council take much care to ensure the quality of the Programme.	A few respondents feel that the syllabus content designed by the University can be still more enriched and suitable to the learners of the college.	In the next Board of Studies, more teachers will come out their views.
Employability is given	When all the other students are	In the next process of framing

weightage in curriculum design and development.	satisfied with the adequacy and relevancy of the syllabus, some faculty is of the opinion that the most of the courses are theory-based.	of the syllabus, suggestion for introducing more innovative courses will be given by the teachers of the institution in the Board of Studies meeting, conducted by the Mother Teresa Women's University.
I am given enough freedom to contribute my ideas on curriculum design and development.	Almost all the teachers are satisfied with the academic freedom given to them to contribute their suggestions in the Board of Studies.	No alterations needed.
The OBE system followed by the college is effective.	More than 93% of the respondents are satisfied with the OBE system.	The faculty is instructed to comprehend the ultimate meaning of the OBE.
The curriculum has been updated from time to time.	The curriculum is updated once in three years by the university. So, some of the respondents feel the lack of the yearly upgradation.	If yearly revision of the syllabus is done, it may give place for newness of the curriculum.
Student-centered learning resources are available in the college.	Most of the faculty are satisfied with the student-centered learning resources available in the college.	Yet more e-resources can be made available through subscription.
The class work takes place as per schedule.	There is a common notion that that the time schedule followed by the college is good.	No alterations needed.
When a student completes a Programme in this institution, I could feel the sea-changes in her as a full-fledged graduate.	The study shows that the teachers could feel the absence of certain skills in some of the students.	As the students hail from the rural background, the communication skills must be improved yet more.

I should be really fortunate to be a teacher of this institution.	Majority of the teachers are satisfied with the workplace.	No alterations needed.
